

Brand: BendPak

Description: Aluminum Approach Ramp Kit / Fits HD-7 and HD-9 Series Lifts

These optional aluminum approach ramps fit all BendPak HD-7 and HD-9 Series lifts and replace the standard steel approach ramps. The complete kit features a pair of low-profile aluminum ramps, quick-mount brackets and all the necessary hardware to make ramp removal and installation a cinch. Lightweight low profile ramps feature an attractive diamond-pate finish that provides a non-slip surface.

Weight (ea): 18 lbs.

Width: 19-3/4"

Length: 36-3/4"
