

Brand: Ranger

Model: RFJ-10TL

Description: 10-Ton Long-Frame Floor Jack

For the Extreme Heavy-Duty Lifting

Ranger's RFJ-10TL 10-Ton Long-Frame Floor Jack is designed especially for extreme heavy-duty lifting. It is perfect for servicing truck fleets, bus garages, farms, heavy construction equipment and other vehicles that require access to very low areas. The RFJ-10TL floor jack features a foot-operated pump for quicker lifting efficiency, automatic overload safety valve and swivel casters for easy maneuvering around tight spaces.

Features

- Alloy-plated ram
- Swivel casters for easy mobility
- Designed for heavy use
- Safety-overload system
- Pump handle can be locked in three different towing positions
- Additional foot pedal control provides quick setup and rise
- Heavy steel construction for maximum durability
- Double-sealed hydraulics prevents contamination for longer service life
