

**Brand:** Ranger

**Model:** RFJ-3T

**Description:** 3-Ton Super-Duty Floor Jack

### Professional Grade Floor Jack

The RFJ-3T is a professional grade floor jack that sports a 6,000 lb. maximum lifting capacity and flanged side plates for extra strength where you need it most. Double-sealed hydraulics and a sturdy steel construction help to protect your investment, while the clever universal-joint release system and roller cam plunger assembly make operation a breeze.

### Features

- Alloy-plated ram
- Universal joint release
- Roller-cam plunger assembly
- Heavy gauge steel construction
- Swivel casters for easy mobility
- Professional model designed for heavy use
- Heavy steel construction for maximum durability
- Double-sealed hydraulics prevents contamination and extends life
- Built-in safety overload system
- Flanged side plates provide increased strength
