

**Brand: Ranger**

**Model: RWL-150T**

**SKU: 5150355**

**Description: Optional Pneumatic Wheel Lift / Fits R980XR, R980NXT, R980AT & R30XLT**

This optional wheel lift adapts easily to any Ranger brand R980XR, R980NXT, R980AT or R30XLT tire changer. The pneumatic lift helps reduce workplace fatigue and minimizes injuries often associated with the manual handling of heavy wheels and tires. The lever-controlled wheel lift quickly raises the wheel and tire assembly for easy mounting on the turntable. One-handed operation means the technician's free hand is able to control the wheel assembly during use. The portable wheel lift handles wheels up to 150 pounds and takes up minimal space.

- Comes complete with all mounting hardware
