

Brand: Ranger
Model: RWS-2TC
Description: Mini Tire Changer

An Absolute Necessity for Hobbyists

The RWS-2TC is an absolute necessity for ATV hobbyists or tire shops that specialize in smaller diameter tires. With rubber grip handles and admirably efficient operation, you get the most out of tire changes at the fraction of the average cost. Performs both mounting and bead breaking operations with ease! With its durable, heavy steel construction and small, maximally portable stature, it's easy to see why the Ranger Mini Charger leads the pack in longevity and reliability.
